

# Pallet truck forks 2.000 x 540

## Description

Manual pallet truck, forks length 2000mm. High load capacity up to 2.000kg. Rudder with spring return. Rudder wheel elastic rubber. Double front rollers. Pump security, which stops when the load exceeds its maximum. Easy to maneuver even in tight spaces. Self-lubricating bearings, to prevent damage and improve maintenance ensuring a longer life. Valve for fast downhill without load, being slower to load. Wheels 200 mm for smooth and easy operation. Made to order, please contact us.
