Dumper pallet truck to battery

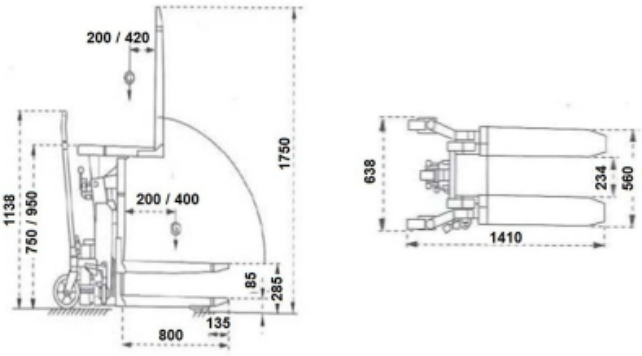

Description

Turner 90 with electronic drive for easy tilt heavy containers from 0 to 90 degrees, of which you have to remove material. These devices are handled as a pallet truck so that containers can also be transported with them. Vulkollan wheels and rudder spring return for easy maneuvering in tight spaces, pump up, which stops when the load exceeds its maximum. Easy to maneuver even in tight spaces. Self-lubricating bearings, to prevent damage and improve maintenance ensuring a longer life. Battery Charger.

Technical data

Reference	10066
Description	Tuner
Capacitance	1.000
fork length	800
Total widht	560
Wheel mm the fork	Ø70x70
Rudder wheel mm	Ø150 x 50
Lifting height	950
Weight Kg	185
Pump type	Eléctrica
